

Keller ISD JROTC Booster Club

Meeting Minutes

Meeting Date: October 1, 2009

Place: Kathy Cudar's Home 4105 Greenwood Way Keller, TX

Time: 7:00pm

Lead by: President – Sherri Schaefer

Attendees: Attendance sheet was filled out. There were approximately 10-11 parents in attendance.

Old Business:

- **Minutes of Prior Meeting Read and Approved:** Minutes from September 3, 2009 meeting were read, discussed and approved by all officers.
- **Financial Report Given By:** Marsha Carrico. Marsha just recently received all the bank information so more detailed information will be presented at the next Booster Club Meeting in November.

New Business:

- **Dog Tag POC and Status.** Dog Tag point of contact (POC) is Jackie.Hogan@kellerisd.net. Jackie presented the board with total remaining dog tags for each school. There are FRHS (125), KHS (107), CHS (64), and Timber Creek (99) remaining dog tags for a total of 395. Started out with 600 dog tags so almost a third is gone but should be further along. Need parental help to make this successful so we are missing out on many opportunities.
- **Wind suit and Hoodie Pre-Order POC and Status.** POC is Kathy Cudar at kcudar@hotmail.com. Kathy updated that so far only three hoodies and four wind suits have been sold. Need 25 minimum of each to place an order on November 3rd deadline. Reevaluate at next meeting on whether to drop this or not.
- **Applebee's Update.** The Applebee's fundraiser scheduled for October 31st has been postponed to a later date. With not having much parental involvement in the above fundraisers it wasn't feasible at this time.
- **T-Shirt Status.** Gathering totals of amount we have left. These are geared for cadets and family and not dated so can be sold in future years but sales are slow.
- **Drill and Orienteering Meets.** Orienteering only took five cadets; need more interest but many were taken away from the drill meet being the same weekend. Pictures are online of each of the events. Next Orienteering is Oct. 17th and Drill Meet is Oct. 24th.
- **Dickey's and Car Wash Fundraisers.** These fundraisers are coming up. The car wash will be on Oct. 10th from 9am-2pm, \$5 tickets and each cadet has a goal to sell at least two tickets each. The Dickey's fundraiser is on Oct. 12th from 5-9pm and the club gets 15% of all receipts turned in.
- **Bake/Raffle Sale.** Another fundraising event coming up is a bake/raffle sale at Fossil Ridge. Voted on getting two booths at \$10 each. Booster club will sell baked goods; have raffle, and dog tags.

More **Parental Involvement** is needed! More presence at football games with color guard and the cadets being there at the tables. We will work on this in the future to get the name out for what the Booster Club is and is doing for the program and the cadets.

Meeting Adjourned: Approximately 9:00pm
